

Rural Churches Ministry Summer 2019 Intern

We are the sister churches of White Mound Baptist and Mound Cowboy Church located southeast of Gatesville in Coryell County, Texas, about 38 miles from Baylor University. We are seeking a single summer intern or married couple as summer interns to minister to children and younger youth in our country churches. A rural background is not a prerequisite. Interns need a loving heart to see children grow closer to Christ.

Ministry opportunities include Wednesday nights, in a teaching and recreation time, and Sunday mornings, teaching during Sunday School. Planning special recreation events to be with children in a fun setting has been a summer tradition.

Interns will participate in our week of evening Vacation Bible School and will accompany 3rd through 6th grade children to Kidz Kamp at Latham Springs July 18-22. A first year of taking kids to junior high camp is another vision for this summer. God is speaking to our children. Several have made decisions to follow Christ in the past few months, and this summer would be opportunity to disciple these children.

We envision a minimum of 20 hours per week at \$12.50 to \$15.00 per hour from May 19 to August 11. The intern should be able to do the job and take summer seminary classes, also. Depending on the intern's gifts, call to ministry, and time, opportunity to preach two to three times and accompany our bivocational pastor on pastoral visits is possible.

Interested students may contact the pastor, Dr. Bruce Cox, at bruce_cox@sbcglobal.net by February 21st.
